Greater Manchester Family YMCA **CAMP MI-TE-NA** Established in 1913 November 2005

Hello to all,

I will start out with Jeff Gordon, WON Martinsville on 10-23-05. I told you he would win at least one before the season ended. Well I am still at camp, so is Zoli. We are getting a bit cold up here. Chico and Peanut have their winter coats and they look even bigger now. With all the rain the lake is way up. The leaves are falling off the trees, today we had some snow at camp, it was not much but there will be more, I am sure of that. We are currently working on the 2005 Embers (yearbook) and it should be mailed out in late January or early February. I hope all of you are studying hard in school. We are just about to start the wrestling team at the YMCA. Well, I hope to see you all next summer.

CHILLIN OUT

Greetings from Keene NH! Recently, the parking lot here is full of water and has been reminding me of the great ol' halfmoon lake! But enough about water! We all remember where all the fun was...I am in the process of doing hours of research in the library, learning some new sportsfield activities to bring back for next summer! I hope all is well with all of the Mi-Te-Na crew. Keep working/playing hard!

HAPPY STAFF

Staff News

Hey guys!

I hope everyone is doing well and studying hard. Right now I am down in Springfield studying hard myself. Every once in a while I take a break from the books and flip through my camp pictures remembering all the great times we had this past summer. Just the other day I talked to Jeff for about an hour laughing about all the craziness that happened. Actually over the past week or so I have seen and talked to quite a few guys from camp. To everyone that I have not seen recently I hope thing are going well and I can't wait to see you all again soon! -

Matt Hanson

YES, WE MADE IT TO THE TOP
Dave Sprachman here, yes that crazy guy from the Ranger Village. I hope everyone is studying hard in school, just like I am, but also remembering the great summer they had, and looking forward to next summer. I know I can't wait until it is June again and I can relax... or .. work hard at the waterfront teaching some swimming lessons and having fun with all of the great activities. Just remember that camp is never more than 12 months away.

-David Sprachman

DINING HALL FUN

Hi Everyone!

I hope everyone is having a fun time wherever you are. I'm just here doing a lot of planning, teaching, and grading. It's hard work, but it's a lot of fun. I hope you are all working hard in school to make your teachers' lives easier!

I'm just waiting for some nice weather here. Who's had enough of the rain? I find it strange how much rain can ruin a day now. It's funny how it can rain during the summer and not ruin the days. Sometimes we just make new activities, and sometimes we just do the old ones in the rain. Whichever we choose, we still have a lot of fun. I guess the key is to keep positive and make the best of it. I hope you are all making the best of your days. They will pass quickly, and snow will be here before you know it. Soon after that, the weather will get warm again, and Camp will be right around the corner. I hope you are all keeping safe and being happy. I'll see you soon!
