Rick's Ramblings

Hello to All,

Camp is very quiet right now, Matt Hanson is leaving for Arizona, Beau is getting ready to make his trip to Canada, Chico and Peanut have moved to their winter home in Barnstead, they were offered a job at a petting zoo in Bermuda, but they enjoy the New England winter.

By the time you read this I am hoping Jeff Gordon is in first place for the NASCAR Championship.

I hope you are all enjoying school and I truly hope you had a great time at Mi-Te-Na. If you have any program ideas that you would like to see added next summer, send Deb Farmer an e-mail at dfarmer@gmfymca.org

Stay tuned for details on a Camp Mi-Te-Na/Foss reunion coming this winter. It will be at the Manchester YMCA.

Hi everyone,

I hope you're having a successful start to your year at school and everything else you have going on. I'm finally starting to get settled into this year teaching 6th grade math. I'm also coaching the school soccer team. It's very time consuming, but it's a lot of fun! Being at practice reminds me of being at camp, outdoors, playing games and having fun! I hope you are enjoying the nice weather while it lasts. Winter will be here soon, with all the cold weather, keeping people inside. No matter where you are, don't forget to take a moment to remember this summer, all the fun we had, and all the friends we made! Eric

Hey everyone!

Well camp is very quiet without all of you guys around! Leah, Matt, Wolff and I just got back from a canoe trip on the Delaware river which was an amazing time... camp is just about ready to close up for the winter. The trees are starting to change colors and the water is getting colder....all signs of the long winter before the spring gets us ready for another amazing summer...hope school is going well for all of you. Remember to keep your noses in the books and also take some time to get outside and enjoy the wonderful New England Fall...hope to see all of you back on the shores of Halfmoon Lake next summer.

Hello everyone,

Camp has ended and I'm already deep into my studies. The weather here in I thaca is filled with rain and clouds. I often find myself daydreaming about the beautiful shores of Halfmoon Lake and all of the great memories. I hope everyone is working hard in school to get off to a good start of the year, and always looking forward to another great summer of memories to come. Only 9 months until camp!!

Hey Guys!

I hope everyone is doing well and studying hard. I am still up at camp but I miss all you guys from the summer. I'm heading out to Arizona in a few weeks so I'm excited to see summer like weather again. Well that's it for me now, hopefully I'll see you all again soon.

The sun shines high today as I sit and study for class. But I make sure to take a break and think about all the great memories that happened this summer at camp, and I have already started counting the days to next summer. Study hard and see all of you next summer.

Jeff

Matt McLaughlin

I'm sitting in a hotel in Philadelphia waiting for my Peace Corps orientation to begin. I'll be getting on a plane Wednesday morning to fly to Senegal. I'm incredibly excited to begin my work, but I'm also sad that I won't be able to be at camp next year. I'm going to miss all the fun you guys are going to have on beautiful Halfmoon Lake.
