

2011 SMOKE SIGNALS FROM CAMP MI-TE-NA

WWW.CAMPMITENA.ORG | 603.232.8642

FEBRUARY 2011

Director's Message

Hello to Everyone, Yearbooks will be in the mail shortly. They came out great. Chico and Peanut are definitely tired of all the snow. Peanut walked outside his condo and was tail deep in snow. Hope to see everyone this

summer. Go Jeff Gordon.....#24.

Rick Ross

CIT Applicants

Don't forget, the group interview date has been changed to March 5th. Interviews will be conducted at the Manchester YMCA, in the GW Room, from 12pm - 2pm.

Check out some of the good times we had at camp last year!

Program Highlights for the Summer of 2011

Session 1

4th of July Fireworks and BBQ*

We will celebrate our nation's independence in style with a huge BBQ and an all camp trip to a professional fireworks display.

Session 2

Treasure Island*

Brand new this year! Camp will be transformed into an island in the Pacific with the campers searching for buried treasure. This is an all day themed event that will start after breakfast and conclude with the evening activity.

Session 3

Christmas in July*

Campers will wake up to the Dining Hall decorated from top to bottom. All activities of the day have a winter theme and campers are visited at lunch by Santa and his elves.

Session 4

Gold Rush*

Camp's most popular event! Camp will be turned into the Old West, so bring your cowboy boots and hat. This event is a secret event so you never know which day it will occur.

**Note: This is just one event we will be having during each session. Be sure to check campmitena.org for your session's complete program schedule 2 weeks before you attend.*

RETURNING STAFF

Summer 2011 Activity Updates & Word Search

Waterfront:

It would be hard to top how AWESOME things were down at the waterfront this past summer, but we already have a few new ideas in the works for this upcoming season. I know that Tommy already has some ideas for improving the ever classics, water-basketball and PFD fiesta, which are sure to add some fun twists for things we already love! Check out all of his ideas on the "Camp Mi-Te-Na OFFICIAL GROUP" page on Facebook. If you have more ideas for the waterfront feel free to post them up! We're trying to think of ways we could do water-lacrosse. Maybe we'll call it WAX and add a nice Mi-Te-Na twist. Some new activities for competition days, potentially involving some cannon-ball action, perhaps even designing your own team raft that has to float to the minnow section! Already looking forward to this summer, and counting down the days!
Gretchen Klene

Hobbies:

Hobbies are going to have another new activity this summer: Media Arts! This activity will allow you to take pictures with a digital camera and then assist in the development of the Mi-Te-Na yearbook. Many of the hobbies have a lot of new equipment for the summer of 2011. New markers have been ordered for paintball allowing more campers to participate in this fast paced team activity. We have also purchased 3 brand new rifles for riflery. Arts and Crafts is exploding this summer with a new theme for Pioneers and Rangers in the morning. Every single cabin will get a chance to make a larger project that you can take home. Guitar lessons will be back for Frontiers in the morning, but there will be new opportunities for the Rangers to try it out in the afternoons. Of course there will also be the camp classics such as the tower, zip line, fire building, mountain boarding, and archery!

Jimmy Wickham

Sportsfield:

Last Summer was a big summer for new sports at Camp Mi-Te-Na, and the summer of 2011 will be no different. In years past the dynamic Mi-Te-Na sportsfield staff have created such iconic hits as Pirates Panic, Ya-Ya Ball, Bazano Ball, and Chaotis. Danny Barker, Josh Rose, Chris Kouroyen and I have been in the Mi-Te-Na Lab creating new games. One of these new games is going to be a more intense version of dodgeball that we couldn't stop playing ourselves. Both new and old sports should be incredible at camp this summer with all the new equipment we have coming in. From dodgeballs to cricket sets to a lob the lobster, we will be fully equipped and ready to go come June!
Mitch Moody
