OCTOBER 2011

## Director's Message:

Greetings to all,  
I am sitting here at camp already getting ready for next summer. I hope you are all planning to return for a fun filled summer in 2012. WOW 2012! Before you know it, it will be camp time again. I hope everyone had a great time at camp this summer, whether you enjoyed four square, riflery, archery, OLS, arts & crafts, or any of the other activities, we hope you enjoyed yourself. Maybe it's the friends in your cabin, or your counselor that you

remember most about camp. Make sure you stay in touch with your friends via Facebook, or even snail mail. As of writing this, Jeff Gordon is doing great and is in the hunt for the Championship. Enjoy the Fall!

# MEMORIES FROM SUMMER 2011

Hey Guys! I hope you are all enjoying the fall season! While I love autumn and Halloween, it doesn't even come close to Mi-Te-Na in the summer. It seems like we have Halloween all the time at Camp Mi-Te-Na with the Pirate days, Gold Rush, Human Scavenger Hunts, and our own Mi-Te-Na style Trick-or-Treating. I miss dressing up in ridiculous outfits with everyone up there. I hope you all have a great fall, have had a good start to school, and are having fun. I look forward to seeing everyone again soon!

-Matt

Hey Everyone! It's been two full months without camp, but it already feels like forever! I've been taking advantage of the nice fall weather to get out and scout some new trips for next year. I'm already excited for the summer of 2012 and can't wait for it to start! Hope to see you all there!

-Ronny

Hello Everyone! I hope you are having a successful and enjoyable start to your school year. You know those friends you made this past summer at camp that you got phone numbers from on the day you left? Have you taken the time to call them? Did you friend them on Facebook? Did you join the Mi-Te-Na page? I constantly keep in contact with my friends from camp. Since camp has ended I have gone camping, went to a Revolution game, and to a Nascar race with my friends from camp. Take the time to connect with those friends. You and the friends you met at camp could both be on a football team or soccer team. You could meet up and throw a ball around, give them a call, or send them a message. There are only a few good weeks of weather left. Get outside and have some fun! Have fun Trick-or-Treating on Halloween. See you around the Y!

-Jimmy Wickham

Hi Everyone! I hope your school year is off to a good start. How many of your parents made you take a first day of school picture out on the front steps? I can't believe that it is already October and a month of school has gone by. As a teacher I have to say I hope you're studying and paying attention in class, but also that you're having fun and enjoying school. We have spirit week coming up, which is always a fun week at school with lots of dressing up (sounds like camp right!). Take care, be good, and practice some swimming!

-Gretchen
